

PROTEIN SKIMMER STAND

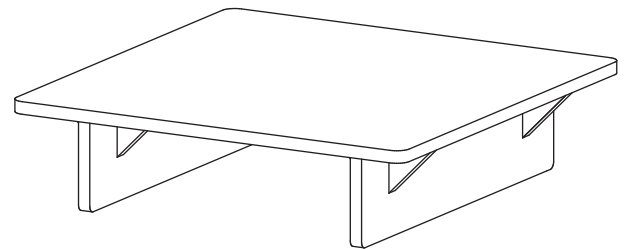

Thank you for choosing our Protein Skimmer Stand.

It is shipped pre-assembled and ready for use.

First, please inspect your new skimmer stand prior to proceeding. If anything is missing or damaged in shipping please contact us ASAP for a replacement. Our contact info is below, or you can contact us through our Ebay store at <https://www.ebay.com/str/marinebiosystems>.

If everything looks good then simply remove the protective film from the top surface of the stand and rinse with water. After that, it's ready to use in your system.

If you need any other acrylic products for your aquarium we welcome you to shop at <https://www.ebay.com/str/marinebiosystems> or contact us directly. We offer a wide variety of products and build custom items to order.
